

Purchase **ANY** Autoclave and
receive your ISO 17025:2005
validation **FREE OF CHARGE**

Our comprehensive range of vertical and horizontal chamber autoclaves from **Systec** offer unmatched quality and performance. They bring an unrivalled level of sterilisation and build quality to the UK autoclave market.

Why Validate your Autoclave?

- Limits product failure and downtime
- Savings in time and money due to reduction or elimination of the need for re testing of products
- Helps regulators recognise lab competence
- Peace of mind that the sterilisation is achieved

Offer ends 31st March 2018

*ISO 17025:2005 validation assumes 1 cycle, amounting to no more than 1 day on site.
Refer to Ts & Cs.*
